Dear Member,

Thousands of dollars have been awarded to students of union members to begin or continue their post-secondary education. With having an active union membership, your student would be eligible to apply for the scholarship offers and discounted college tuition listed below. Please have your applicant look into each offer as each offer has varying criteria for eligibility and application timelines. Awards are high, and with the cost of college increasing each student should take advantage of participating in this year's scholarship program. Start today and Good Luck.
