LiUNA!

MEMBERS ONLY BENEFIT PACKAGE

NEW BENEFITS INSIDE!

Dear Brothers and Sisters,

The Chicago Laborers' District Council and our affiliated locals are pleased to introduce a package of NEW benefits exclusively for our active and retired members, and their families. Union membership is more than having a job, it's about having the strength of a collective voice, protection, and peace of mind provided by union-negotiated benefits. Our union takes pride in empowering and safeguarding our members on and off the job. With that in mind, we are pleased to share with you brand new benefits that are free to you and your family as dues-paying members. We're able to provide these benefits at no additional cost to you because we've partnered with other unions to create the Midwest Coalition of Labor. As members of the Coalition we're able to negotiate with benefit providers to get lower prices and better rates.

In addition to the LIUNA Chicago Laborers' District Council, the Midwest Coalition of Labor (MCL) includes the International Union of Operating Engineers Local 399, the Operating Engineers Local 150, the Chicago Regional Council of Carpenters, and the International Brotherhood of Electrical Workers Local 134. Together our organizations represent more than 100,000 working men and women around the Midwest, and as more unions join the Midwest Coalition of Labor, we will continue to add new members-only benefits.

The new benefits include Life and Accidental Death & Dismemberment insurance, discounted legal services, identity theft protection, emergency roadside assistance, credit union services, and much more.

Union membership is the last line of defense for working families and we are committed to protecting you and your family on and off the job, and throughout your retirement.

Contact your Local Union Business Manager with questions or call **800-433-2099**. You may also find more information on the Midwest Coalition of Labor website coalitionoflabor.org.

In Solidarity,

James P. Connolly

COALITION OF UNION LABOR CREDIT UNION

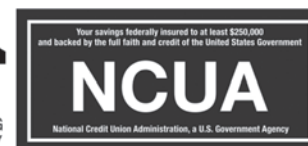

BANKS ARE FOR PROFIT, CREDIT UNIONS ARE FOR PEOPLE.

Credit unions typically have lower fees and higher interest rates on deposits, and you can't beat the emphasis on customer service. Credit union tellers, representatives and loan officers understand the industries their union members work in and know what type of services members need throughout the year.

In the aftermath of the Great Recession, credit union board members voted to give union members the option to skip two mortgage payments to help out with financial hardship. Ask yourself - would a private bank ever do that?

Our credit union exists solely to serve our union members by providing financial products on the most favorable terms we can afford to offer - and that is what we do best.
