Dear Brothers and Sisters,

Union membership is more than having a job, it's about having the strength of a collective voice, protection, and peace of mind provided by union-negotiated benefits. Our union takes pride in empowering and safeguarding our members on and off the job.

As a dues-paying member of LIUNA Chicago Laborers' District Council, you and your family are eligible to take advantage of additional benefits that are being offered through the Midwest Coalition of Labor (MCL).

This coalition represents more than 140,000 working men and women across the Midwest. Our ability to provide these benefits to you at no cost is the result of a coalition of unions that we have built and our collective purchasing power to drive down prices from benefit providers.

These benefits include Life and Accidental Death & Dismemberment insurance, discounted legal services, emergency roadside assistance, credit union services, and much more.

Union membership is the last line of defense for working families and we are committed to protecting you and your family on and off the job, and throughout your retirement.

In Solidarity,

James P. Connolly
Chicago Laborers' District Council
Business Manager

MCL CREDIT UNION

Credit unions typically have lower fees and higher interest rates on deposits, and you can't beat the emphasis on customer service. Credit union tellers, representatives and loan officers understand the industries their union members work in and know what type of services members need throughout the year.

In the aftermath of the Great Recession, credit union board members voted to give union members the option to skip two mortgage payments to help out with financial hardship. Ask yourself – would a private bank ever do that?

Our credit union exists solely to serve our union members by providing financial products on the most favorable terms we can afford to offer – and that is what we do best.

MCL SOCIAL SECURITY DISABILITY

The MCL has partnered with SSDC Services Corp. (SSDC), a national advocacy firm specializing in Social Security Disability Insurance (SSDI) benefits and Medicare coordination. SSDC identifies whether you or your dependent(s) are eligible for SSDI benefits and early Medicare and becomes your Advocate for filing and obtaining these benefits.

Why SSDI?

SSDI can provide disabled individuals an increased monthly income, early eligibility for Medicare benefits, additional dependent benefits and more.

Why is Early Medicare Important?

Medical expenses typically drop when you enroll in Medicare. Medicare plan enrollees can have lower out-of-pocket costs when you see doctors or other providers.

No Out-of-Pocket Payment

There is no cost unless you are awarded SSDI benefits. SSDC will never charge you for medical record or travel expenses. Fees to MCL members are at least 20% lower than what Social Security allows.

Medical Conditions

Listed below are some of the most common conditions that qualify people for Social Security Disability benefits. Keep in mind that this is not a full list of conditions that may qualify for disability benefits.
