

VICE PRESIDENT KAMALA HARRIS

KEY MESSAGES

- From day one, Vice President Kamala Harris, has been a key partner in leading the most pro-labor administration in our lifetimes.
- At every step in her distinguished career, she has proven herself a tough and tenacious fighter for working people and a leader we can count on to deliver for us.
- From spearheading efforts to expand union rights to leading the expansion of affordable child care, she has shown time and again that she is on our side.
- With Kamala Harris in the White House, together we will continue to build LIUNA's strength, expand job opportunities, defend Davis-Bacon prevailing wages, secure our pensions, and continue to improve the economy.
- Together, we can and will defeat Donald Trump, J.D. Vance, and their anti-worker agenda in November.

AS VICE PRESIDENT, HARRIS

- With LIUNA members at her side, announced historic investment in lead pipe service line removal that will invest in good union jobs restoring drinking water.
- Championed a first of its kind affordable housing plan that will invest in more housing to help reduce the strain of housing costs on families.
- Advocated for strong wages and unveiled the final Davis Bacon rule to modernize and strengthen prevailing wages on federal infrastructure investment.
- Played a critical role in rebuilding our crumbling infrastructure, investing in good-paying union jobs, bringing manufacturing back to America, lowering prescription drug costs, and raising wages.
- Cast tie-breaking votes in the Senate for the Inflation Reduction Act paving the way for green energy projects built by union members and the American Rescue Act which restored our economy and saved the pensions of more than a million union workers and retirees.

- Led the White House Task Force on Worker Organizing and Empowerment, where she championed new worker organizing and training to create pathways to good union jobs.
- Headed the administration's efforts to increase access to affordable child care and expand the child tax credit.
- Stood with striking writers.

AS UNITED STATES SENATOR, HARRIS

- Introduced legislation to extend overtime rights and guarantee new minimum wage rights to agricultural workers.
- Vigorously advocated for workers' freedom to form or join a union and **strongly supported the PRO Act** to reform broken labor laws that stacks the deck against workers.
- Introduced the Domestic Workers' Bill of Rights to guarantee domestic workers protections against harassment and discrimination, meal breaks, a guaranteed minimum wage, and overtime pay.
- Walked the picket line in 2019 with the UAW at the GM facility near Reno, Nevada.

AS ATTORNEY GENERAL OF CALIFORNIA, HARRIS

- Stopped bad employers by tackling wage theft and other corporate crimes.
- Stood up to anti-union forces to protect pensions.
- Cracked down on corporate greed and took on the big banks after the 2008 financial crisis to deliver relief for struggling homeowners.
